8. Logs for Water Treatment Facility-Attached
9. Company Health and Safety Policy- Attached

Additionally, please see below for answers to questions posed by potential tenderers:

1. What is the Period of Indemnity  
**Answer: 12 months**
2. Explanation of operating losses over the past five years.  
**Answer: Due to the closure of the Skeldon Sugar Factory in 2017, there was a shortage of biomass feedstock, which contributed to the non-operation of the Co-Generation Facilities.**

3. Copy of Current Insurance Policies

Answer: **The types of insurance policies currently on the ground are: All Risk of Physical Loss and Damage, Business Interruption, Machinery and Boiler Explosion, Motor Vehicle Insurance, Limited and Public Liability Insurance, and Group Health Insurance.**
